

This is the first announcement of
Brazil Delta '17

The Eleventh Southern Hemisphere Conference on the Teaching and
Learning of Undergraduate Mathematics and Statistics

The conference will be held **26 November - 1 December 2017**, in **Gramado, Rio Grande do Sul, Brazil**.

The venue is the **Support Foundation of the Federal University of Rio Grande do Sul – FAURGS**, and the conference, the eleventh of its name, promises to be as good as its predecessors. Our theme of

Think Diversity!

will no doubt inspire much interesting discussion of the great challenges facing mathematics and statistics educators.

We look forward to hosting engaging keynote speakers as well as many delegates from around the world. We welcome our Northern Hemisphere colleagues and friends while retaining a Southern Hemisphere identity.

Please be aware of the following important dates:

30 April 2017: Final date for submission for full-refereed papers in the special edition of iJMEST.

30 June 2017: Final date for submission of full papers for the Conference Proceedings.

30 June 2017: Final date for submission of abstracts for posters and for abstract-only presentations.

Please visit our website <https://www.univates.br/delta> for further details.

We look forward to you joining us.
